UBC MHLP in Seniors Care or Clinical Education
Expand your health care knowledge and business skills in just 12 months.

The Master of Health Leadership and Policy (MHLP) degree is for practising professionals who want to use their leadership skills to promote innovation in health care. With its unique combination of graduate-level UBC School of Nursing courses and UBC Sauder School of Business courses, this hybrid professional master’s degree will give you the skills and confidence to take your career in new directions.

Apply by August 1 to be considered for the UBC MHLP class of 2020.
