

UBC BSN Curriculum Structural Framework – 2017 Curriculum (2022 Expansion)

CURRICULUM META-CONCEPTS: NURSING - CLIENT - HEALTH - ENVIRONMENT									
		Term 1 (W1) - Foundations	Term 2 (W2)	Term 3 (S)		Term 4 (W1)		Term 5 (W2) - Consolidation	
Focus:		Professional Foundations Wellness & Chronic Health Challenges, critical reflexivity	Health of Indigenous People Critical inquiry / Research; Family Interprofessional team Acute and chronic care across the lifespan;	Leadership, Health Policy; Complex Health Challenges across settings and the lifespan; Social Determinants of Health		Complex Health Challenges across settings and the lifespan, Social Determinants of Health; Seniors Care;		Consolidation & Professional Transitions; Complex/Urgent Health	
Population:		Adult/Older Adult & their Families	Adult/Older Adult and their Families	Clients and their families and Populations [Maternity/Pediatrics/Mental Health/PHC]		Clients and their families and Populations [Maternity/Pediatrics/Mental Health/PHC]		Clients and their families & Populations [All areas]	
Practice Setting(s):		In-patient; acute/transitional care; Simulation-based learning	Acute Care; Simulation-based learning	Acute &/or Community Care Settings; Simulation-based learning		Acute &/or Community Care Settings; Simulation-based learning		Simulation-based learning; Across Settings (complex)	
Student Learning Context/Level of Competency in Practice Courses		Foundational: Dependent, predictable situations, with assistance	Practice learning with minimal assistance; moderately predicatable	Practice learning with increasing levels of independence; increasingly unpredictable care situations		Practice learning with increasing levels of independence increasingly unpredictable care situations		Consolidation: Independent, complex and unpredictable situations; preceptorship	
Conceptual Strands: Nursing Profession & Professionalism Nursing Social Organization (Health Care Systems, Interprofessional Practice) Nursing Care Context Thread Content (i.e. ethics, relational practice, indigenous health, policy) Competencies (i.e. assessment, communication, risk management)	ACADEMIC REQUIREMENTS	NURS 300: Theoretical & Professional Foundations (3)	NURS 353: Promoting the Health of Indigenous People (2)	NURS 351: Leadership, Policy and Informatics (3)		NURS 354: Theoretical Perspectives in Nursing: Complexities in Senior's Care (3)		NURS 344: Critical Inquiry and Leadership Synthesis (2)	
		NURS 352: Relational and Ethical Nursing Practice (3)	NURS 350: Critical Inquiry and Research in Nursing and Health Care Practice (3)	GROUP 1 - Set A	GROUP 2 - Set B	GROUP 1 - Set B	GROUP 2 - Set A	NURS 430: Theoretical Perspectives in Nursing: Special Topics in Complex & Urgent Care Across Settings/Populations (2)	
		NURS 310: Basic Principles of Pharmacology for Nursing Practice (2)		NURS 345 (941): Theoretical Perspectives in Nursing: Childbearing Individuals and their families (3)	NURS 303 (941): Theoretical Perspectives in Nursing: People Living with Mental Health Challenges (3)	NURS 301 (001): Theoretical Perspectives in Nursing: Primary Health Care (3)	NURS 345 (001): Theoretical Perspectives in Nursing: Childbearing Individuals and their families (3)		
		NURS 330: Theoretical Perspectives in Nursing: Adults/Older Adults & their Families (3)		NURS 331: Theoretical Perspectives in Nursing: Adults/Older Adults Experiencing Acute Health Challenges (3)	NURS 346 (941): Theoretical Perspectives in Nursing: Infants, Children, Youth & their Families (3)	NURS 301 (941): Theoretical Perspectives in Nursing: Primary Health Care (3)	NURS 303 (001): Theoretical Perspectives in Nursing: People Living with Mental Health Challenges (3)		NURS 346 (001): Theoretical Perspectives in Nursing: Infants, Children, Youth & their Families (3)
		NURS 321: FSCP I: Foundational Skills and Competencies for Nursing Practice (2)	NURS 322: FSCP II: Foundational Skills and Competencies for Nursing Practice (2)	NURS 323: FSCP III: Foundational Skills and Competencies for Nursing Practice (1)		NURS 401: FSCP IV: Foundational Skills and Competencies for Nursing Practice (1)		NURS 402: FSCP V: Foundational Skills and Competencies for Nursing Practice (1)	
		NURS 360: Nursing Practice with Adults/Older Adults & their Families (4)	NURS 361: Nursing Practice with Adults/Older Adults Experiencing Acute Health Challenges (7)	GROUP 1 - Set A	GROUP 2 - Set B	GROUP 1 - Set B	GROUP 2 - Set A	NURS 427: Consolidated Practice Experience (10)	
				NURS 365 (941) Nursing Practice with Childbearing Individuals and Families (3)	NURS 362 (941) : Nursing Practice in Primary Health Care Context (3)	NURS 362 (001): Nursing Practice in Primary Health Care Context(3)	NURS 365 (001): Nursing Practice with Childbearing Individuals and Families (3)		
NURS 366 (941) : Nursing Practice with: Infants, Children, Youth & their Families (3)	NURS 363 (941): Nursing Practice with People Living with Mental Health Challenges (3)			NURS 363 (001): Nursing Practice with People Living with Mental Health Challenges(3)	NURS 366 (001): Nursing Practice with: Infants, Children, Youth & their Families (3)
