

Harvinder Kaur Sihota

2024

Erickson Kline Moerike NP Preceptor Award

Harvinder Sihota is an exceptional preceptor and educator whose dedication to nursing education has left an indelible mark on all those fortunate enough to learn under her guidance. Harvinder's unwavering commitment to excellence and her passion for the nursing profession shine brightly in every aspect of her teaching.

Her supportive demeanor coupled with her ability to challenge students to think critically fosters an enriching and empowering learning environment. Under Harvinder's mentorship, MN-NP students have experienced profound personal and professional growth, gaining confidence in their roles and aspiring to emulate her commendable practice. Harvinder's relentless pursuit of advancing NP practice is evident in her continuous quest for knowledge and her encouragement of students to do the same.

Her impact on nurse practitioner education is immeasurable, and her students express deep gratitude for the invaluable lessons learned under her tutelage. Today, we celebrate Harvinder for her outstanding contributions to nursing education and her unwavering dedication to shaping the future of healthcare through her praiseworthy teaching.
