

Navdeep Dhillon

2025 Erickson Kline Moerike Nurse Practitioner Preceptor Award

We are proud to honour Navdeep Dhillon with the 2025 Erickson Kline Moerike Nurse Practitioner Preceptor Award.

Navdeep is no stranger to receiving awards from the School of Nursing. As an MN-NP student of the Class of 2020, she produced an "Outstanding Culminating Project."

Navdeep is a truly exceptional nurse preceptor whose dedication, knowledge, and mentorship have made a lasting impact on the next generation of nurse practitioners.

From the outset of her students' clinical placement, Navdeep establishes a welcoming and respectful learning environment where inquiry is encouraged, critical thinking flourishes, and patient-centered care is always at the forefront. Her thoughtful guidance, paired with the trust she places in her students' growing autonomy, creates the ideal conditions for both personal and professional growth.

Navdeep's depth of expertise in primary care is matched by her ability to communicate complex clinical concepts in a way that is both accessible and engaging. Her commitment to evidence-based practice and lifelong learning shines through in every interaction, whether she's reviewing research, discussing policy, or modeling best practices at the bedside.

Beyond her clinical acumen, Navdeep's advocacy for equitable and culturally competent care is deeply inspiring. She demonstrates that outstanding mentorship is not only about skill-building—it is also about nurturing values, compassion, and leadership.

Her nominee describes her as a mentor who strengthened clinical confidence, shaped professional identity, and inspired a commitment to thoughtful and proactive care. Navdeep's example will continue to guide and influence future clinicians for years to come.

A gifted educator, a compassionate health care provider, and a role model in every sense of the word, Navdeep Dhillon is an excellent embodiment of this award.
