NURSING MATTERS

Inaugural Indigenous Nursing Lead - Tania Dick

[Tania Dick](#), a member of Dzawada'enuxw First Nations of Kingcome Inlet, has been appointed as UBC Nursing's inaugural Indigenous Nursing Lead. Ms. Dick, also a member of the UBC Nursing Indigenous Advisory Circle and a UBC School of Nursing Alumna, will be working with faculty, staff, and students to support strategies to reduce Indigenous-specific racism in healthcare.

UBC Hampton - New Faculty Grants

Congratulations to [Dr. Emmanuela Ojukwu](#) and [Dr. Lillian Hung](#) for being the recipients of the [UBC Hampton - New Faculty Grants](#).

Dr. Ojukwu received the grant for the project titled: *Social Determinants of Health and Impact of the COVID-19 Pandemic on HIV Treatment Engagement and Quality of Life for African, Caribbean and Black Women Living with HIV*.

Dr. Hung received the grant for the project titled: *Technology risks and ethical implication of using assistive technologies in Long Term Care*.

CANO/ACIO 2021 Awards of Excellence

Congratulations to [Dr. Kristen Haase](#) for being the recipient of the 2021 Canadian Association of Nurses in Oncology Award for Excellence in Reviewing Peer Reviewed Manuscripts for the Canadian Oncology Nursing Journal.

Dr. Haase is also the recipient for the 2021 Pfizer Award for Excellence in Nursing Research for her clinical research and practical application in the field of nursing and oncology.

Fellowship at Canadian Academy of Nursing

Congratulations to [Marcia Carr](#) and [Kris Gustavson](#) for their induction into Fellowship at the Canadian Academy of Nursing.

Marcia Carr and Kris Gustavson are both adjunct faculty at the UBC School of Nursing and are recognised for their outstanding work as Canadian nursing leaders.

Research in Focus: John Oliffe

UBC School of Nursing professor, [Dr. John Oliffe](#), shared his research on men's health health behaviors and illness management in UBC Today. His work seeks to advance men's health promotion in the fields of psychosocial prostate cancer care, smoking cessation, and male suicide prevention.

Improvement of Mealtime Practices in Long Term Care Unit

[Dr. Lillian Hung's](#) Happy2Eat practice improvement project worked with the VCH Minoru Residence long-term care facility in Richmond.

Dr. Hung's research revolved around how staff at the Minoru Residence collaborated to better serve residents. They attended to the residents who stayed in their rooms during mealtimes so as to mitigate feelings of isolation and loneliness while dining.
