

THE UNIVERSITY OF BRITISH COLUMBIA

SCHOOL OF NURSING

**PLAR APPLICATION FOR HUMAN ANATOMY
& PHYSIOLOGY PREREQUISITE REVIEW
FOR ADMISSION TO THE BACHELOR OF
SCIENCE IN NURSING (BSN) PROGRAM**

NAME:

DATE OF APPLICATION:

BSN applicants who completed human anatomy and physiology (HAP) courses more than 4 years ago, or completed courses that are not listed or are listed in a different combination on the [School's website](#) (under *Course Prerequisites*) must apply for review of these courses. For September 2019 intake, we accept HAP courses completed within the last 4 years at the time of application (i.e., after September 2014).

To apply applicants must submit:

- 1) Application form enclosed in this document
- 2) Proof of successful completion of the course (e.g. an unofficial transcript showing completion of the course)
- 3) A course syllabus including:
 - a. course description – must be from the year the course was completed
 - b. learning objectives
 - c. course schedule - detailed breakdown of topics covered in the course
 - d. summary of the taught hours for the course giving details of class time, and laboratory time
 - e. description of the assignments undertaken (course assessment)
- 4) Proof of payment - a \$58 review fee (non-refundable) is required. This fee is payable by credit card (Mastercard or Visa) or Interac Online at <http://nursing-axis.sites.olt.ubc.ca/home/admissions/plar/> Print payment confirmation receipt and attach it to the application form.
- 5) Applicants who completed HAP courses outside the 4-year time limit are required to provide supporting documentation to show current knowledge of ALL human body systems. In addition to the PLAR application, applicants must submit a current resume, a letter of explanation addressed to the PLAR committee, transcripts/outlines for additional HAP courses taken since the courses were completed and other documentation they consider appropriate to support the application. Applicants who might qualify for this category include internationally trained physicians, practicing massage therapists, practicing doctors of naturopathy.

Applicants are strongly encouraged to apply for PLAR evaluation early in the admission process. The PLAR application deadline for Winter Session 2019 is January 31, 2019. The PLAR application and supporting documentation must be scanned and emailed to the PLAR Administrator at information@nursing.ubc.ca or sent by mail to:

**School of Nursing PLAR Administrator
UBC School of Nursing
T201-2211 Wesbrook Mall
Vancouver, B.C. V6T 2B5
Canada**

The School PLAR committee reviews the submitted coursework and makes a decision on its acceptability for entry. Applicants are notified by email whether the coursework meets the requirement.

Please note that submission of an application does not guarantee acceptance of meeting the program human anatomy and physiology prerequisite. This will be determined by the School PLAR Committee.

UBC School of Nursing Prior Learning Assessment & Recognition Application

This form is required to apply for Prior Learning & Assessment Recognition (PLAR) review of Human Anatomy and Physiology coursework required for admission to the BSN program. Please ensure you have consulted with the PLAR Administrator at information@nursing.ubc.ca before submitting your application. The appropriate application fee for Prior Learning & Assessment Recognition is required with this application.
