*Academic Advising includes any questions or issues you may have about how to navigate the BSN Program successfully. This could include questions about personal circumstance.

To learn more about the position or process, click on the box to link to appropriate resource information. The arrow will change to a hand to designate a link is available.

This flow chart is designed to help you, as a student in the BSN Program, get answers to your questions & find resolution to any challenges you may encounter. Start with the person in the role in the first box, and if there is no resolution, proceed to the next box suggested by the arrows. Please follow steps in sequence indicated.
